DECISION AWARDING DAMAGES¹

On December 17, 2018, Jill Carpenter filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that she suffered a left Shoulder Injury Related to Vaccine Administration (SIRVA) as a result of receiving an influenza (“flu”) vaccine on November 14, 2016. Petition at *Preamble*. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On March 10, 2020, a ruling on entitlement was issued, finding Petitioner entitled to compensation for a left SIRVA. On May 19, 2020, Respondent filed a proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$61,271.29, including \$60,000.00 in actual and projected pain and suffering and \$1,271.29 in past unreimbursable expenses. Proffer at 1-2. In the Proffer, Respondent represented that

PROFFER ON AWARD OF DAMAGES

On December 17, 2018, Jill Carpenter (“petitioner”) filed a petition for compensation (“Petition”) under the National Childhood Vaccine Injury Act of 1986, 42 U.S.C. §§ 300aa-1 to -34 (“Vaccine Act” or “Act”), as amended. The Petition alleges that petitioner received an influenza (“flu”) vaccine on November 14, 2016, and that she subsequently suffered a Shoulder Injury Related to Vaccine Administration (“SIRVA”). Petition at *Preamble*. Respondent conceded petitioner’s entitlement to compensation in his Rule 4(c) Report filed on February 11, 2020. Based on Respondent’s Rule 4(c) Report the Court found petitioner entitled to compensation.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded \$60,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents her expenditure of past unreimbursable expenses related to her vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$1,271.29. Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of **\$61,271.29**, in the form of a check made payable to petitioner.¹ This lump sum payment represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

Petitioner is a competent adult. Evidence of guardianship is not required in this case.
